Dear All,

I think the 2nd FASAVA congress was a great success. I would like to thank you all for the support. I would like to congratulate Dr. Geoffrey Chen for being elected as new secretary of FASAVA. Cheers to Beijing for successful bid for FASAVA congress in 2014. I will continue to offer my help in any other way if needed to see FASAVA growing to greater height in the future.

Best regards,

Eng Cheong Yeoh
Past Secretary

Dear All

I am writing to congratulate you all on a very well organised and run 2nd FASAVA Congress. The meeting was one to be proud of and in the financial circumstances we got a very good number of registrants.

I enjoyed my time in Thailand and like all good things it was all over too soon.

It would be nice if we could eventually have a breakdown of the budget as this will be of great help to those groups holding similar meetings in the future.
